Chairperson	Mr R A Connor
Secretary	Mr C MacRae
Treasurer	Mr R Sutherland
Sales Officer	Mr J Wilson
Membership Secretary	Mr P Robertson

"Trolley" Producer/Editor *	Mr G C Conn

* It was voted that the constitution should be altered to make the "Trolley" producer a full committee member, previously being allowed to attend committee meetings only as an observer.

MEMBERSHIP

It was decided, at the AGM, that the membership fees shall remain unchanged for yet another year at: Adult-£3; Unwaged/Retired-£2; Under 16-£1.

MEMBERS MAIL BOX

Members may now, if they wish, leave mail for other members in the new "Members Mail Box" (MMB) which will be located in the third drawer of the operations filing cabinet. Please do **not** leave any money, no matter how little in the box - even if it is in a sealed package. Please check the MMB every time you are in the depot to see if there is any mail for you. If you are 'posting' an item and it has not been collected within a month then it is the responsibility of the sender to organise alternative arrangements for the delivery of your item eg. Royal Mail etc. Members are advised not use the MMB for any urgent mail.

MEET THE MEMBERS

Further to details published in "Trolley" No. 4 the meeting on Thursday 7th May at 7.30 pm will be of the following format:-

Members should enter through the main entrance to the Park and park their cars alongside the main building. Members should then go to the Conference Room (adjacent to the Ironworks Gallery and Shop) where a short talk and slide show on the activities of the group will be given.

Members will then either be taken to the depot for a guided tour or will be given shot of operating one of the tramcars.

If the Thursday night is unsuitable for any members they are welcome to attend on the following Sunday (10th May) although it is a lot less likely that they will be able to have a shot of operating one of the Tramcars.

SCOTTISH INTERNATIONAL TRAMWAY ASSOCIATION

Members are invited to attend the following meeting of SITA in the City Halls, Glasgow - enter by door F in Albion Street:

Tuesday 14th April at 7.30 pm - Bob Docherty showing his video of North American Tramcars.

There is also the possibility of SITA organising a trip to Rosyth Dockyard to see the refurbishment of the London Underground trains in May. More details will be given at a later date.
